

What can the Chamber do for you ?

1

More Business

By phone, walk-in, email and Internet, the Martinsville Chamber gives many referrals each month. As a member, you will directly benefit from these new customers. You may be surprised how many consumers look for the Chamber plaque and window decals as a sign that you are a reputable member of the community.

2

Better Connections

Chamber members have a better connection to the greater Martinsville community because they are connected to each other. The Chamber provides frequent opportunities to network with other community and business leaders. After all, you can't count on advertising alone to give your business adequate community relations.

3

Extra Exposure

Exposure comes naturally when you are a member of the Martinsville Chamber. Take full advantage of free publicity most businesses cannot afford. Exclusive features like ribbon cuttings, hosting a networking meeting, and press releases in *the Martinsville Monday Memo* about your company are examples of the exposure you'll enjoy.

4

Timely Information

Your Chamber membership gives you the freedom to focus on your business while we work with local governments to protect your interests. You'll be alerted to issues and initiatives that deserve your attention so you won't miss a chance to be heard on decisions affecting your quality of life. Our weekly e-zine will keep you informed on chamber and community happenings.
